AGREEMENT TO HOLD HARMLESS, WAIVER, AND ASSUMPTION OF RISK

I understand that attendance at a dog training class is not without risk to myself, members of my family, or guests who may attend, or my dog, because some of the dogs to which we may be exposed may be difficult to control and may be the cause of injury even when handled with the greatest amount of care. I hereby waive and release Jackson Hole Positive Training LLC, hereinafter referred to as the "Training Organization", its employees, officers, members, and agents from any and all liability of any nature, for injury or damage which I or my dog may suffer including specifically, but without limitation, any injury or damage resulting from the action of any dog. I expressly assume the risk of such damage or injury while attending any training sessions or any other functions of the Training Organization, or while on the training grounds, or the surrounding area thereto. In consideration of the acceptance of my application for training and training fees by the Training Organization, I hereby agree to indemnify and hold harmless the Training Organization, its employees, officers, members and

agents from any and all claims, or claims by any member of any family or any other person accompanying me to any training session or function of the Training Organization, or while on the grounds or the surrounding area thereto as a result of any action by any dog including my own.
